

SATO215 HIGHER STOOL W/ ADAPTER

Model Numbers:

- SATO215 (shown)
- SATO215W

Features/Benefits:

- Comfortable western-style sitting toilet with higher sitting position
 - Especially great for the elderly, people with disabilities or pregnant users
 - Durable material that is chemical resistant and vandalism resistant
 - Smooth surfaces for easy cleaning
 - 100mm taller than original stool (SATO200)
- Does not include trap door
 - Must be paired with a sealing system for user safety
 - Compatible with SATO314 (offset pit) and SATO324 (twin pit) connection and sealing systems
- Integrated flange secures stool into cement or tiled floors - can build up floor material onto flange and directly to stool walls for a cleaner look
 - Mounting holes allow stool to be nailed/screwed down onto other flooring materials (wood, plastic slab, etc.)
- Height and top profile of stool optimized for comfort for all ages and gender
