

# SATO216 HIGHER STOOL W/ BIRD DOOR

## Model Numbers:

- SATO216 (shown)
- SATO216W

## Features/Benefits:

- Comfortable western-style sitting toilet with higher sitting position
  - Especially great for the elderly, people with disabilities or pregnant users
  - Durable material that is chemical resistant and vandalism resistant
  - Smooth surfaces for easy cleaning
  - 100mm taller than original stool (SATO200)
- Self-closing trap door design allows for a small amount of water to create a seal between waste and human environment
  - Minimizes odor and harmful gases - door remains in closed position unless in use or when flushing
  - Prevents insects from entering and escaping pits preventing spread of diseases
  - Water saving
  - Water seal depth: up to 7mm
- Integrated plastic counterweight for areas where other counterweight materials (e.g. cement or rubber) are not easily accessible
- Integrated flange secures stool into cement or tiled floors - can build up floor material onto flange and directly to stool walls for a cleaner look
  - Mounting holes allow stool to be nailed/screwed down onto other flooring materials (wood, plastic slab, etc.)
- Height and top profile of stool optimized for comfort for all ages and gender
