

SATO163 "ORISSA" PAN W/ BIRD DOOR

Model Numbers:

- SATO163

Features/Benefits:

- SATO performance and quality in an affordable, "Orissa" style latrine pan
 - Durable material that is chemical resistant and vandalism resistant
 - Smooth surfaces for easy cleaning
- Self-closing trap door design allows for a small amount of water to create a seal between waste and human environment
 - Minimizes odor and harmful gases - door remains in closed position unless in use or when flushing
 - Prevents insects from entering and escaping pits preventing spread of diseases
 - Water saving
 - Water seal depth: up to 7mm
- Deck surfaces sloped towards interior to prevent water settling on deck
- Integrated plastic counterweight for areas where other counterweight materials (e.g. cement or rubber) are not easily accessible
- Closed aperture ensures sense of safety, especially for children
- Integrated footrests for added comfort
 - Shallow footrest ridges allow for easy sweeping of dirt and debris
- Knockout holes around perimeter allow for pan to be nailed down, if desired
